CLOSING SONG

“I Shall Be Released”

Bob Dylan (1941–)

They say ev’rything can be replaced
Yet ev’ry distance is not near
So I remember ev’ry face
Of ev’ry man who put me here
I see my light come shining
From the west unto the east
Any day now, any day now
I shall be released

They say ev'ry man needs protection
They say ev'ry man must fall
Yet I swear I see my reflection
Some place so high above this wall
I see my light come shining
From the west unto the east
Any day now, any day now
I shall be released

Standing next to me in this lonely crowd
Is a man who swears he's not to blame
All day long I hear him shout so loud
Crying out that he was framed
I see my light come shining
From the west unto the east
Any day now, any day now
I shall be released
